\* Daily fees depend on the family's individual eligibility to claim Child Care Subsidy (CCS) as a reduction of fees. Please speak to Centrelink about your CCS entitlements. Families will be asked to pay full fees until CCS confirmation is received by the Centre. CCS is estimated for current and future weeks and may be adjusted by Centrelink. Upon termination of your enrolment, you may be liable for any residual fee if CCS percentages have been overestimated.

\*\* Families with 3+ and 4+ year old children must nominate FROEBEL as their Kindergarten of choice for funding purposes in the last two years before primary school to benefit from the discounted 'funded' fees.

For families who do not nominate FROEBEL to deliver the funded Kindergarten Program, or families whose child/ren already attend a funded Kindergarten Program at another service, daily fees are higher to cover a part of the kindergarten funding that FROEBEL is unable to claim for these children ('unfunded' fees). Families will be asked annually to nominate FROEBEL through an online confirmation form.

If a child is unable to transition to the Kindergarten room for their three-year old Kindergarten program due to non-availability of places but is eligible for kindergarten funding, the funded Kindergarten fee will apply even before the child is able to transition to the Kindergarten room.

From 2023, an additional amount of up to \$2,000 per child per annum will be paid to Kindergarten Program providers by the Victorian Government. Families nominating FROEBEL to deliver the funded Kindergarten Program will receive a weekly fee reduction in the amount of \$39.22 for up to 51 weeks (= FROEBEL's operating weeks) equalling a total of up to \$2,000 per annum per eligible child.
