* Daily fees depend on the family's individual eligibility to claim Child Care Subsidy (CCS) as a reduction of fees. Please speak to Centrelink about your CCS entitlements. Families will be asked to pay full fees until CCS confirmation is received by the Centre. CCS is estimated for current and future weeks and may be adjusted by Centrelink. Upon termination of your enrolment, you may be liable for any residual fee if CCS percentages have been overestimated.

** Families with 3+ and 4+ year old children must nominate FROEBEL as their Kindergarten of choice for funding purposes in the last two years before primary school to benefit from the discounted 'funded' fees.

For families who do not nominate FROEBEL to deliver the funded Kindergarten Program, or families whose child/ren already attend a funded Kindergarten Program at another service, daily fees are higher to cover a part of the kindergarten funding that FROEBEL is unable to claim for these children ('unfunded' fees). Families will be asked annually to nominate FROEBEL through an online confirmation form.

If a child is unable to transition to the Kindergarten room for their three-year old Kindergarten program due to non-availability of spaces a \$5 discount per day of attendance will be applied to the family's fee account until the transition can occur.

*** Early Start Kindergarten grants from the Victorian Government support the participation of Aboriginal and Torres Strait Islander children, children of Refugee or Asylum Seekers and children who are known to Child Protection. FROEBEL will credit received ESK funding to eligible family accounts as a fee reduction for up to 15 hours per week or 600 hours per annum over the duration of up to 40 weeks per year. Please speak to the Centre Director if you believe you are eligible.
